# Airfryer

McCain Airfryer Fries have been specially developed for an Airfryer preparation, for an even better result!

Simple and tasty fries without any additional oil in less than 9 minutes! you'll get the crispy skin texture and golden brown color fries.

The crispness last 30 minutes due to the special coating technology making the crispness four times longer than other regular fries!

The preparation takes 9 minutes at 200 °C in any Airfryer!
