& VOLVIC IN EUROPE

## Our commitment

Never take more than what nature offers\*  
15-year journey through rocks taking on its unique mineral composition until it reach the underground source

### Win-win initiatives

Cooperation projects to ensure resource protection and sustainable development of the territory through the APIEME.

### Share our know-how

On water resource management and preservation through the Water Institute by evian

## EVIAN CERTIFIED B CORP

Certified B Corporations are businesses that **meet the highest standards** of verified social and environmental performance, public transparency, and legal accountability to balance profit and purpose.

### 3 key elements:

1. Social and environmental performance → 80+ out of 200 points
2. Transparency → B Impact Report
3. Accountability → Adopt legal framework to consider all stakeholders

➡ Recertify and improve every 3 years

\*caps and labels don't yet contained recycled plastic

The evian sustainability journey is focused on 3 pillars:

Packaging and recycling

Source protection

Climate impact

# Our water

## 100% NATURAL

### Elegant | Timeless

- Natural minerals
- Delicacy
- Roundness
- Perfectly balanced
- 'Gold standard' for water tasting

Where the quest for pleasure can never be compromised. Bring to your table the best of both worlds: the elegance and timelessness of evian still water with the passion and excitement of evian sparkling.

The evian duo put in two iconic bottles for your guests to enjoy.

### evian still

#### Hydration from the French Alps

Our water is filtered through glacier rocks for 15 years before we bottle it.

- Lowest in sodium
- Freshness
- Fine and elegant Bubbles
- Awaken your senses
- Enhances flavours

#### Sustainably sourced

We protect our source and never take more than nature provides.

#### Neutral pH, electrolytes and mineral balance

7.2 pH neutrally balanced

The water contains calcium, magnesium, silica and potassium which contribute to the cool and crisp taste.

The gentle intensity of the bubbles of evian sparkling provides a medium to low carbonation for a uniquely refined sensation on the palate.
