

HARRIS RANCH, CALIFORNIA'S LARGEST BEEF PRODUCER

PRIME BEEF

HIGHEST QUALITY OF BEEF GRADING

Prime beef comes from young, well-fed beef cattle and is typically sold in restaurants and hotels. Prime roasts and steaks are perfect for dry-heat cooking techniques including broiling, roasting, and grilling.

QUALITY

FEEDING PROGRAM

The cattle spend 80% of their lives eating grass before being finished on a nutritionally balanced diet consisting of corn and other feed grains, plus alfalfa hay, vitamins and minerals - More flavourfully finished

Ribeye

Striploin

Tenderloin

Short Rib

STATE - OF - ART BEEF PROCESSING

Harris Ranch is proud to offer safe, high-quality beef while emphasizing sustainable production practices and an unrelenting dedication to the humane treatment of our livestock. Harris Ranch sees animal care as an essential component of creating great-tasting, premium-quality meat.

Harris Ranch has stringent policies regarding use of antibiotics. We test finished beef for antibiotic residues above USDA standards.
